### *Scope and purpose*

We have performed the procedures enumerated below, which were agreed to by Glebi Holdings Plc (the “Engaging Party” or the “Company” or the “Guarantor”), solely to assist you in evaluating the compliance with the Guarantor’s Net Indebtedness Ratio calculation (“Subject Matter”) and as to whether the value of the Net Indebtedness Ratio exceeds or does not exceed the Permitted Value as defined in, and in accordance with the requirements of the Prospectus of the bonds issued by the Company’s subsidiary, Dr. Max Funding CR, s.r.o., for the year ended 31 December 2023, and may not be suitable for another purpose.

### *Restricted use*

This agreed-upon procedures report (“AUP Report”) is intended solely for the information and use of the Engaging Party and the bond holders (“Intended User(s)”) and is not intended to be and should not be used by anyone else.

### *Responsibilities of the Engaging Party*

The Engaging Party has acknowledged that the agreed-upon procedures are appropriate for the purpose of the engagement.

The Engaging Party is responsible for the Subject Matter on which the agreed-upon procedures are performed. The sufficiency of these procedures is solely the responsibility of the Engaging Party.

### *Responsibilities of the Practitioner*

We have conducted the agreed-upon procedures engagement in accordance with the International Standard on Related Services (ISRS) 4400 (Revised), *Agreed-Upon Procedures Engagements*. An agreed-upon procedures engagement involves our performing the procedures that have been agreed with the Engaging Party, and reporting the findings, which are the factual results of the agreed-upon procedures performed. We make no representation regarding the appropriateness or the sufficiency of the agreed-upon procedures described below either for the purpose for which this AUP Report has been requested or for any other purpose.

This agreed-upon procedures engagement is not an assurance engagement. Accordingly, we do not express an opinion or an assurance conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported.

*Our independence and quality control management*

In performing the Agreed-Upon Procedures engagement, we complied with the ethical requirements in the Code of Ethics for Professional Accountants issued by the International Ethics Standards Board for Accountants (IESBA). We are the independent auditor of the Company and therefore we also complied with the independence requirements of the IESBA Code that apply in context of the financial statement audit.

EY applies International Standard on Quality Management 1 (ISQM-1), *Quality Management for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance and Related Services Engagements*, and accordingly designs, implements and operates a comprehensive system of quality management, including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

*Description of procedures performed*

We have performed the procedures described below, which were agreed upon with the Engaging Party, on the Guarantor's Net Indebtedness Ratio calculation and as to whether the value of the Net Indebtedness Ratio exceeds or does not exceed the Permitted Value as defined in, and in accordance with the requirements of the Prospectus of bonds issued by the Company's subsidiary, Dr. Max Funding CR, s.r.o..

Our procedures and findings included:

1. We obtained and compared the inputs of the Net Indebtedness Ratio calculation to the consolidated accounting records used for the preparation of the "Consolidated Financial Statements for the year ended 31 December 2023" which have been audited by Ernst & Young Cyprus Limited, with an unmodified audit opinion issued thereon;
2. We compared the formula of the calculation of the Net Indebtedness Ratio to the defined terms and provisions of the Prospectus as defined in section 4.8;
3. We checked the numerical accuracy of the Net Indebtedness Ratio calculation; and
4. We compared the value of the Net Indebtedness Ratio as of 31 December 2023, as indicated in Annex 1, whether it exceeds or does not exceed the Permitted Value as defined in sections 4.3 and 4.8 in accordance with the requirements of the Prospectus.

We report our findings below:

- A. With respect to item 1 we found that the inputs of the Net Indebtedness Ratio calculation reconciles to the consolidated accounting records used for the preparation of the "Consolidated Financial Statements for the year ended 31 December 2023";
- B. With respect to item 2 we found that the formula of the calculation of the Net Indebtedness Ratio agrees to the defined terms and provisions of the Prospectus as defined in section 4.8;
- C. With respect to item 3 we found no difference as a result of the check on the numerical accuracy of the Net Indebtedness Ratio calculation; and
- D. With respect to item 4 we found that the Net Indebtedness Ratio of 5.46 as of 31 December 2023, as indicated in Annex 1, does not exceed the Permitted Value of 5.95 in accordance with the requirements of the Prospectus.
